

for Kindergarten

Sumner School District

Yes, I want to make a real
difference in planting the seeds
of success for children!

The READY! for Kindergarten program is designed to help families prepare children with the skills needed to start and stay at grade level throughout their school career. The program empowers parents and families as a child's first and most important teacher.

By supporting the **READY! for Kindergarten program** in the Sumner School District, you are helping plant the seeds for success in school and a lifelong love of learning for a child.

For just \$200 you can provide a family with a full year of READY! classes and three teaching kits; and \$50 purchases one READY! teaching kit.

To make a tax-deductible donation to READY! For Kindergarten, please complete this form. Your check can be made payable to the Sumner/Bonney Lake Education Foundation, referencing READY! For Kindergarten on the memo line. Completed forms and donations may be mailed to:

**READY! For Kindergarten
